

Parking Designations for Expansion Construction

1
Phase

Where Should I Park?

Starting June 7, new parking designations will help ensure that patients and visitors are able to park close to the hospital while employees and volunteers will need to park in areas located further away.

Courtesy Cart service will be operating 12 hours a day on **weekdays**, beginning at **6 am** and continuing until **6 pm**. The carts will cruise the parking lots to provide rides.

- Open Parking
- Reserved for Providers
- Patients & Visitors Only
- Walking Path
- Construction Zone
