

# INTERNAL MEDICINE

Feather River Hospital's Health Center and hospitalist service are staffed by Paradise Medical Group (PMG). This group specializing in Family Practice, Internal Medicine and Pediatrics, is currently seeking additional Internal Medicine physicians to join their team of 15 physicians and 3 PAs.

Current opportunities are available for inpatient and outpatient practices, or a combination of both, as PMG physicians offer a wide range of services.

Outpatient options include:

- Urgent Care,
- Private practice, and
- Feather River Health Center.

Inpatient options include:

- Hospitalist per diem/part-time/full-time (average census is 18), and
- PMG private practice 1:7 weekend call (average census is 15).

Construction is in progress for a 24,000 sqft PMG Medical Office and Urgent Care Center to be completed in Fall of 2008. The group anticipates this new center will also offer laboratory and imaging services. It will house all outpatient PMG physicians, administrative and billing offices, and the Urgent Care Center.
